

Special Bulletin

Issue 60A 27th October 2021

CQRS NOTIFICATION

2021/22 NHSEI PUBLIC HEALTH COMMISSIONED SERVICES DATA EXTRACTION ISSUES EFFECTING VACCINATION PAYMENTS ACTION REQUIRED

There has been several data extraction issues effecting clinical systems across the South West. Please read the information below that confirms which clinical systems and vaccinations services have been affected and what action you will need to take.

Vaccination service name: Shingles 2021/22

Data impacted: September

Clinical system impacted: TPP

TPP have notified NHS Digital of an issue with their extracts for the Shingles service, which resulted in an incorrect submission of data for September 2021.

In response, NHS Digital and TPP are working to re-submit the correct data to CQRS. Further communications will be issued once a date has been confirmed.

Impact

- Practices impacted by this issue may have received an overpayment
- Declarations in CQRS that have already been approved and submitted to PCSE will have been processed for payment. Work has started to confirm the process to address any approved overpayments
- Payments that have not been approved will be returned for declaration once NHS Digital provide an updated submission
- There is no impact to payments for months prior to September 2021

Action required

The following actions are required by practices:

TPP Practices

- No further declarations for the September 2021 payment for the shingles service should be made **until further notice**
- Declarations may continue for April to August 2021 payments for the shingles service

EMIS & Cegedim/Vision Practices

- Declarations may continue for the shingles service as per usual
- No further action required from you in relation to this issue

Vaccination service name: Childhood 6 in 1 2021/22 and PCV Hib MenC 2021/22

Data impacted: April, May, June, July and September 2021

Clinical system impacted: EMIS

EMIS have notified NHS Digital of an issue with their extracts for the Childhood 6 in 1 and PCV Hib MenC services, which resulted in incorrect submissions between April 2021 and September 2021.

In response, NHS Digital and EMIS are working to resolve this issue.

Impact

- Practices impacted by this issue may have received an overpayment
- Declarations in CQRS that have already been approved and submitted to PCSE will have been processed for payment. Work has started to confirm the process to address any approved overpayments
- There may be a delay to the submission of October 2021 data by EMIS for these services whilst the issue is addressed

Action required

The following actions are required by practices:

EMIS Practices

- No further declarations for the Childhood 6 in 1 and PCV Hib MenC services should be completed **until further notice**
- Declarations may continue for all other services

TPP & Cegedim/Vision Practices

- Declarations may continue for Childhood 6 in 1 and PCV Hib MenC services as per usual
- No further action required from you in relation to this issue

Next Update

We are expecting a further update to be provided by the CQRS team on or before Monday 1st November 2021 which we will share with you.

In the meantime, if you have any queries, please do not hesitate to contact to us.
