Introduction

Following recent feedback, and after a consultation with key stakeholders, we would like to introduce our new look **South West Public Health Section 7a Screening & Immunisations Bulletin** (formally known as the South West Public Health GP Bulletin). We hope this streamlined version will be easier to access and read. Please note that you can use the hyperlinks in the contents list above to go straight to an article.

Please be aware that future issues of the Bulletin will be circulated on Mondays, with the exception of bank holidays.

Cervical Screening PCN Pack

NHS England and NHS Improvement (NHSEI) South West has produced a primary care resource pack which provides healthcare professionals practical information in order to identify actions that will result in improved Cervical Screening coverage, particularly amongst those in underserved communities.

Please find attached the release statement and the NHSEI South West Primary Care resource for Cervical Screening.

We hope that you find the resource useful and if you would like any further information then please contact the South West NHSEI Screening & Immunisation team on england.swscreeningandimms@nhs.net

Further Information

- Back issues of these bulletins and attachments are available on the NHSEI website [here](#).
