- Gateshead Health NHS Foundation Trust; and
- The Newcastle Upon Tyne Hospitals NHS Foundation Trust.

It is important to note that not all of these buildings contain patient facilities. All of these trusts have implemented risk mitigation plans to minimise the risk to patients, visitors and staff until the cladding is removed. These plans include additional fire safety precautions which will remain in place until the trusts have eliminated relevant risks.

### **Review rights**

If you consider that your request for information has not been properly handled or if you are otherwise dissatisfied with the outcome of your request, you can try to resolve this informally with the person who dealt with your request. If you remain dissatisfied, you may seek an internal review within NHS Improvement of the issue or the decision. A senior member of NHS Improvement's staff, who has not previously been involved with your request, will undertake that review.

If you are dissatisfied with the outcome of any internal review, you may complain to the Information Commissioner for a decision on whether your request for information has been dealt with in accordance with the FOI Act.

A request for an internal review should be submitted in writing to FOI Request Reviews, NHS Improvement, Wellington House, 133-155 Waterloo Road, London SE1 8UG or by email to [nhsi.foi@nhs.net](mailto:nhsi.foi@nhs.net).

### **Publication**

Please note that this letter will shortly be published on our website. This is because information disclosed in accordance with the FOI Act is disclosed to the public at large. We will, of course, remove your personal information (e.g. your name and contact details) from the version of the letter published on our website to protect your personal information from general disclosure.

Yours sincerely,

NHS Improvement
