- 1.2 If any such dispute cannot be resolved in accordance with Condition 1.1, the dispute may, by agreement between the relevant parties, be referred to mediation in accordance with Condition 1.3.
- 1.3 The procedure for any such mediation shall be as follows:
 - 1.3.1 A neutral person, being an accredited mediator, (the "**Mediator**") shall be chosen by agreement between the Boards. Alternatively, either Board may within seven days from the date of the proposal to appoint a mediator, or within seven days of notice to any party that the chosen mediator is unable and unwilling to act, apply to the Centre for Dispute Resolution ("**CEDR**") to appoint a Mediator.
 - 1.3.2 The Boards shall within seven days of the appointment of the Mediator agree a timetable for the exchange of all relevant and necessary information and the procedure to be adopted for the mediation. If appropriate, the Boards may at any stage seek from CEDR guidance on a suitable procedure.

This does not apply to any information which would in any event have been admissible or discoverable in any such litigation or arbitration.
 - 1.3.5 The Mediator's reasonable fees and other expenses of the mediation will be borne by the Foundation Trust. The Foundation Trust will bear the reasonable costs and expenses of the participation in the mediation.
 - 1.3.6 If the Boards reach agreement on the resolution of the dispute that agreement shall be reduced to writing and shall be binding upon the relevant parties.

 - 1.3.8 If the Boards are unable to reach a settlement at the mediation and only if both Boards so request and the Mediator agrees, the Mediator will produce for the parties a non-binding recommendation on terms of settlement. This will not attempt to anticipate what a court might order but will set out what the Mediator

suggests are appropriate settlement terms in all of the circumstances. Such opinion shall be provided on a without prejudice basis.

- 1.3.9 Subject to Conditions 1.3.6 and 1.3.7, should either Board decide to pursue the dispute in a court, the Foundation Trust shall not be liable for any of the costs or expenses in relation to such proceedings.

- (c) the details of the unique identifier of the replacement ballot paper.

29.5 If a voter has dealt with his or her text message vote in such a manner that it cannot be accepted as a vote (referred to as a “spoilt text message vote”), that voter may apply to the returning officer for a replacement voter ID number.

29.6 On receiving an application, the returning officer is to obtain the details of the voter ID number on the spoilt text message vote, if he or she can obtain it.

29.7 The returning officer may not issue a replacement voter ID number in respect of a spoilt text message vote unless he or she is satisfied as to the voter’s identity.

29.8 After issuing a replacement voter ID number in respect of a spoilt text message vote, the returning officer shall enter in a list (“the list of spoilt text message votes”):

- (a) the name of the voter, and
- (b) the details of the voter ID number on the spoilt text message vote (if that officer was able to obtain it), and
- (c) the details of the replacement voter ID number issued to the voter.

30. Lost voting information

30.1 Where a voter has not received his or her voting information by the tenth day before the close of the poll, that voter may apply to the returning officer for replacement voting information.

30.2 The returning officer may not issue replacement voting information in respect of lost voting information unless he or she:

- (a) is satisfied as to the voter's identity,
- (b) has no reason to doubt that the voter did not receive the original voting information,
- (c) has ensured that no declaration of identity, if required, has been returned.

30.3 After issuing replacement voting information in respect of lost voting information, the returning officer shall enter in a list ("the list of lost ballot documents"):

- (a) the name of the voter
- (b) the details of the unique identifier of the replacement ballot paper, if applicable, and
- (c) the voter ID number of the voter.

31. Issue of replacement voting information

31.1 If a person applies for replacement voting information under rule 29 or 30 and a declaration of identity has already been received by the returning officer in the name of that voter, the returning officer may not issue replacement voting information unless, in addition to the requirements imposed by rule 29.3 or 30.2, he or she is also satisfied that that person has not already voted in the election, notwithstanding the fact that a declaration of identity if required has already been received by the returning officer in the name of that voter.

31.2 After issuing replacement voting information under this rule, the returning officer shall enter in a list ("the list of tendered voting information"):

- (a) the name of the voter,
- (b) the unique identifier of any replacement ballot paper issued under this rule;
- (c) the voter ID number of the voter.

32. ID declaration form for replacement ballot papers (public and patient constituencies)

32.1 In respect of an election for a public or patient constituency an ID declaration form must be issued with each replacement ballot paper requiring the voter to make a

declaration of identity.

Polling by internet, telephone or text

33. Procedure for remote voting by internet

33.1 To cast his or her vote using the internet, a voter will need to gain access to the polling website by keying in the url of the polling website provided in the voting information.

33.2 When prompted to do so, the voter will need to enter his or her voter ID number.

33.3 If the internet voting system authenticates the voter ID number, the system will give the voter access to the polling website for the election in which the voter is eligible to vote.

33.4 To cast his or her vote, the voter will need to key in a mark on the screen opposite the particulars of the candidate or candidates for whom he or she wishes to cast his or her vote.

33.5 The voter will not be able to access the internet voting system for an election once his or her vote at that election has been cast.

34. Voting procedure for remote voting by telephone

34.1 To cast his or her vote by telephone, the voter will need to gain access to the telephone voting facility by calling the designated telephone number provided in the voter information using a telephone with a touch-tone keypad.

34.2 When prompted to do so, the voter will need to enter his or her voter ID number using the keypad.

34.3 If the telephone voting facility authenticates the voter ID number, the voter will be prompted to vote in the election.

34.4 When prompted to do so the voter may then cast his or her vote by keying in the numerical voting code of the candidate or candidates, for whom he or she wishes to vote.

34.5 The voter will not be able to access the telephone voting facility for an election once his or her vote at that election has been cast.

35. Voting procedure for remote voting by text message

35.1 To cast his or her vote by text message the voter will need to gain access to the text message voting facility by sending a text message to the designated telephone number or telephone short code provided in the voter information.

35.2 The text message sent by the voter must contain his or her voter ID number and the numerical voting code for the candidate or candidates, for whom he or she wishes to vote.

35.3 The text message sent by the voter will need to be structured in accordance with the instructions on how to vote contained in the voter information, otherwise the vote will not be cast.

Procedure for receipt of envelopes, internet votes, telephone votes and text message votes

36. Receipt of voting documents

36.1 Where the returning officer receives:

- (a) a covering envelope, or
- (b) any other envelope containing an ID declaration form if required, a ballot paper envelope, or a ballot paper,

before the close of the poll, that officer is to open it as soon as is practicable; and rules 37 and 38 are to apply.

36.2 The returning officer may open any covering envelope or any ballot paper envelope for the purposes of rules 37 and 38, but must make arrangements to ensure that no person obtains or communicates information as to:

- (a) the candidate for whom a voter has voted, or
- (b) the unique identifier on a ballot paper.

36.3 The returning officer must make arrangements to ensure the safety and security of the ballot papers and other documents.

37. Validity of votes

37.1 A ballot paper shall not be taken to be duly returned unless the returning officer is satisfied that it has been received by the returning officer before the close of the poll, with an ID declaration form if required that has been correctly completed, signed and dated.

37.2 Where the returning officer is satisfied that rule 37.1 has been fulfilled, he or she is to:

- (a) put the ID declaration form if required in a separate packet, and
- (b) put the ballot paper aside for counting after the close of the poll.

37.3 Where the returning officer is not satisfied that rule 37.1 has been fulfilled, he or she is to:

- (a) mark the ballot paper “disqualified”,
- (b) if there is an ID declaration form accompanying the ballot paper, mark it “disqualified” and attach it to the ballot paper,
- (c) record the unique identifier on the ballot paper in a list of disqualified documents (the “list of disqualified documents”); and
- (d) place the document or documents in a separate packet.

37.4 An internet, telephone or text message vote shall not be taken to be duly returned unless the returning officer is satisfied that the internet voting record, telephone voting record or text voting record (as applicable) has been received by the returning officer before the close of the poll, with a declaration of identity if required that has been correctly made.

37.5 Where the returning officer is satisfied that rule 37.4 has been fulfilled, he or she is to put the internet voting record, telephone voting record or text voting record (as applicable) aside for counting after the close of the poll.

37.6 Where the returning officer is not satisfied that rule 37.4 has been fulfilled, he or she is to:

- (a) mark the internet voting record, telephone voting record or text voting record (as applicable) “disqualified”,
- (b) record the voter ID number on the internet voting record, telephone voting record or text voting record (as applicable) in the list of disqualified documents; and
- (c) place the document or documents in a separate packet.

38. Declaration of identity but no ballot paper (public and patient constituency)³

38.1 Where the returning officer receives an ID declaration form if required but no ballot paper, the returning officer is to:

- (a) mark the ID declaration form “disqualified”,
- (b) record the name of the voter in the list of disqualified documents, indicating that a declaration of identity was received from the voter without a ballot paper, and
- (c) place the ID declaration form in a separate packet.

39. De-duplication of votes

39.1 Where different methods of polling are being used in an election, the returning officer shall examine all votes cast to ascertain if a voter ID number has been used more than once to cast a vote in the election.

39.2 If the returning officer ascertains that a voter ID number has been used more than once to cast a vote in the election he or she shall:

- (a) only accept as duly returned the first vote received that was cast using the relevant voter ID number; and
- (b) mark as “disqualified” all other votes that were cast using the relevant voter ID number.

39.3 Where a ballot paper is disqualified under this rule the returning officer shall:

- (a) mark the ballot paper “disqualified”,
- (b) if there is an ID declaration form accompanying the ballot paper, mark it “disqualified” and attach it to the ballot paper,
- (c) record the unique identifier and the voter ID number on the ballot paper in the list of disqualified documents;
- (d) place the document or documents in a separate packet; and

³ It should not be possible, technically, to make a declaration of identity electronically without also submitting a vote.

- (e) disregard the ballot paper when counting the votes in accordance with these rules.

39.4 Where an internet voting record, telephone voting record or text voting record is disqualified under this rule the returning officer shall:

- (a) mark the internet voting record, telephone voting record or text voting record (as applicable) “disqualified”,
- (b) record the voter ID number on the internet voting record, telephone voting record or text voting record (as applicable) in the list of disqualified documents;
- (c) place the internet voting record, telephone voting record or text voting record (as applicable) in a separate packet, and
- (d) disregard the internet voting record, telephone voting record or text voting record (as applicable) when counting the votes in accordance with these rules.

40. Sealing of packets

40.1 As soon as is possible after the close of the poll and after the completion of the procedure under rules 37 and 38, the returning officer is to seal the packets containing:

- (a) the disqualified documents, together with the list of disqualified documents inside it,
- (b) the ID declaration forms, if required,
- (c) the list of spoiled ballot papers and the list of spoiled text message votes,
- (d) the list of lost ballot documents,
- (e) the list of eligible voters, and
- (f) the list of tendered voting information

and ensure that complete electronic copies of the internet voting records, telephone voting records and text voting records created in accordance with rule 26 are held in a device suitable for the purpose of storage.

41. Interpretation of Part 6

41.1 In Part 6 of these rules:

“ballot document” means a ballot paper, internet voting record, telephone voting record or text voting record.

“continuing candidate” means any candidate not deemed to be elected, and not excluded,

“count” means all the operations involved in counting of the first preferences recorded for candidates, the transfer of the surpluses of elected candidates, and the transfer of the votes of the excluded candidates,

“deemed to be elected” means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll,

“mark” means a figure, an identifiable written word, or a mark such as “X”,

“non-transferable vote” means a ballot document:

- (a) on which no second or subsequent preference is recorded for a continuing candidate,

or

- (b) which is excluded by the returning officer under rule 49,

“preference” as used in the following contexts has the meaning assigned below:

- (a) *“first preference”* means the figure “1” or any mark or word which clearly indicates a first (or only) preference,
- (b) *“next available preference”* means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
- (c) in this context, a *“second preference”* is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule 46,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable ballot documents from the candidate who has the surplus,

“stage of the count” means:

- (a) the determination of the first preference vote of each candidate,

- (b) the transfer of a surplus of a candidate deemed to be elected, or
- (c) the exclusion of one or more candidates at any given time,

“*transferable vote*” means a ballot document on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate,

“*transferred vote*” means a vote derived from a ballot document on which a second or subsequent preference is recorded for the candidate to whom that ballot document has been transferred, and

“*transfer value*” means the value of a transferred vote calculated in accordance with rules 47.4 or 47.7.

42. Arrangements for counting of the votes

- 42.1 The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.
- 42.2 The returning officer may make arrangements for any votes to be counted using vote counting software where:
 - (a) the board of directors and the council of governors of the corporation have approved:
 - (i) the use of such software for the purpose of counting votes in the relevant election, and
 - (ii) a policy governing the use of such software, and
 - (b) the corporation and the returning officer are satisfied that the use of such software will produce an accurate result.

43. The count

- 43.1 The returning officer is to:
 - (a) count and record the number of:
 - (iii) ballot papers that have been returned; and
 - (iv) the number of internet voting records, telephone voting records and/or text voting records that have been created, and
 - (b) count the votes according to the provisions in this Part of the rules and/or the provisions of any policy approved pursuant to rule 42.2(ii) where vote counting software is being used.
- 43.2 The returning officer, while counting and recording the number of ballot papers, internet voting records, telephone voting records and/or text voting records and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper or the voter ID number on an internet voting record, telephone voting record or text voting record.
- 43.3 The returning officer is to proceed continuously with counting the votes as far as is

practicable.

44. Rejected ballot papers and rejected text voting records

44.1 Any ballot paper:

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

44.2 The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

44.3 Any text voting record:

- (a) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (b) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (c) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the text voting record shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

44.4 The returning officer is to endorse the word “rejected” on any text voting record which under this rule is not to be counted.

44.5 The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule 44.1 and the number of text voting records rejected by him or her under each of the subparagraphs (a) to (c) of rule 44.3.

45. First stage

45.1 The returning officer is to sort the ballot documents into parcels according to the candidates for whom the first preference votes are given.

45.2 The returning officer is to then count the number of first preference votes given on ballot documents for each candidate, and is to record those numbers.

45.3 The returning officer is to also ascertain and record the number of valid ballot

documents.

46. The quota

46.1 The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.

46.2 The result, increased by one, of the division under rule 46.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

46.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules 47.1 to 47.3 has been complied with.

47. Transfer of votes

47.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub- parcels so that they are grouped:

- (a) according to next available preference given on those ballot documents for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

47.2 The returning officer is to count the number of ballot documents in each parcel referred to in rule 47.1.

47.3 The returning officer is, in accordance with this rule and rule 48, to transfer each sub-parcel of ballot documents referred to in rule 47.1(a) to the candidate for whom the next available preference is given on those ballot documents.

47.4 The vote on each ballot document transferred under rule 47.3 shall be at a value (“the transfer value”) which:

- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
- (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

47.5 Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:

- (a) according to the next available preference given on those ballot documents for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

- 47.6 The returning officer is, in accordance with this rule and rule 48, to transfer each sub-parcel of ballot documents referred to in rule 47.5(a) to the candidate for whom the next available preference is given on those ballot documents.
- 47.7 The vote on each ballot document transferred under rule 47.6 shall be at:
- (a) a transfer value calculated as set out in rule 47.4(b), or
 - (b) at the value at which that vote was received by the candidate from whom it is now being transferred,
- whichever is the less.
- 47.8 Each transfer of a surplus constitutes a stage in the count.
- 47.9 Subject to rule 47.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.
- 47.10 Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:
- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
 - (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.
- 47.11 This rule does not apply at an election where there is only one vacancy.

48. Supplementary provisions on transfer

- 48.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:
- (a) The surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
 - (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.
- 48.2 The returning officer shall, on each transfer of transferable ballot documents under rule 47:
- (a) record the total value of the votes transferred to each candidate,
 - (b) add that value to the previous total of votes recorded for each candidate and record the new total,

- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

48.3 All ballot documents transferred under rule 47 or 49 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.

48.4 Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule 47 or 49 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a non-transferable vote; and votes on a ballot document shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

49. Exclusion of candidates

49.1 If:

- (a) all transferable ballot documents which under the provisions of rule 47 (including that rule as applied by rule 49.11) and this rule are required to be transferred, have been transferred, and
- (b) subject to rule 50, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule 49.12 applies, the candidates with the then lowest votes).

49.2 The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule 49.1 into two sub-parcels so that they are grouped as:

- (a) ballot documents on which a next available preference is given, and
- (b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).

49.3 The returning officer shall, in accordance with this rule and rule 48, transfer each sub-parcel of ballot documents referred to in rule 49.2 to the candidate for whom the next available preference is given on those ballot documents.

49.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

49.5 If, subject to rule 50, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been

transferred to any candidate excluded under rule 49.1 into sub- parcels according to their transfer value.

- 49.6 The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot documents (thereby passing over candidates who are deemed to be elected or are excluded).
- 49.7 The vote on each transferable ballot document transferred under rule 49.6 shall be at the value at which that vote was received by the candidate excluded under rule 49.1.
- 49.8 Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.
- 49.9 After the returning officer has completed the transfer of the ballot documents in the sub-parcel of ballot documents with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot documents with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule 49.1.
- 49.10 The returning officer shall after each stage of the count completed under this rule:
- (a) record:
 - (i) the total value of votes, or
 - (ii) the total transfer value of votes transferred to each candidate,
 - (b) add that total to the previous total of votes recorded for each candidate and record the new total,
 - (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
 - (d) compare:
 - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.
- 49.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules 47.5 to 47.10 and rule 48.
- 49.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.
- 49.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:
- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of

votes and the candidate with the lowest number of votes at that stage shall be excluded, and

- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

50. Filling of last vacancies

50.1 Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

50.2 Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

50.3 Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

51. Order of election of candidates

51.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule 47.10.

51.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

51.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

51.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

PART 7: FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

52. Declaration of result for contested elections

52.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

- (a) declare the candidates who are deemed to be elected under Part 6 of these rules as elected,
- (b) give notice of the name of each candidate who he or she has declared elected –
 - (i) where the election is held under a proposed constitution pursuant to powers conferred on the [insert name] NHS Trust by section 33(4) of the 2006 Act, to the chairman of the NHS Trust, or
 - (ii) in any other case, to the chairman of the corporation, and
- (c) give public notice of the name of each candidate who he or she has declared elected.

52.2 The returning officer is to make:

- (a) the number of first preference votes for each candidate whether elected or not,
- (b) any transfer of votes,
- (c) the total number of votes for each candidate at each stage of the count at which such transfer took place,
- (d) the order in which the successful candidates were elected, and
- (e) the number of rejected ballot papers under each of the headings in rule 44.1,
- (f) the number of rejected text voting records under each of the headings in rule 44.3,

available on request.

53. Declaration of result for uncontested elections

53.1 In an uncontested election, the returning officer is to as soon as is practicable after final day for the delivery of notices of withdrawals by candidates from the election:

- (a) declare the candidate or candidates remaining validly nominated to be elected,
- (b) give notice of the name of each candidate who he or she has declared elected to the chairman of the corporation, and
- (c) give public notice of the name of each candidate who he or she has declared elected.

PART 8: DISPOSAL OF DOCUMENTS

54. Sealing up of documents relating to the poll

54.1 On completion of the counting at a contested election, the returning officer is to seal up the following documents in separate packets:

- (a) the counted ballot papers, internet voting records, telephone voting records and text voting records,
- (b) the ballot papers and text voting records endorsed with “rejected in part”,
- (c) the rejected ballot papers and text voting records, and

- (a) the disqualified documents, with the list of disqualified documents inside it,
- (b) the list of spoilt ballot papers and the list of spoilt text message votes,
- (c) the list of lost ballot documents, and

- (c) the name of the corporation to which the election relates, and
- (d) the constituency, or class within a constituency, to which the election relates.

55. Delivery of documents

55.1 Once the documents relating to the poll have been sealed up and endorsed pursuant to rule 56, the returning officer is to forward them to the chair of the corporation.

59.2 The ballot documents which have preferences recorded for the candidate who has died are to be sealed with the other counted ballot documents pursuant to rule 54.1(a).

PART 10: ELECTION EXPENSES AND PUBLICITY

62.2 Nothing in this rule is to prevent the corporation from incurring such expenses, and making such payments, as it considers necessary pursuant to rules 63 and 64.

63. Publicity about election by the corporation

63.1 The corporation may:

- (a) compile and distribute such information about the candidates, and

- 66.7 Monitor shall delegate the determination of an application to a person or panel of persons to be nominated for the purpose.
- 66.8 The determination by the IEAP shall be binding on and shall be given effect by the corporation, the applicant and the members of the constituency (or class within a constituency) including all the candidates for the election to which the application relates.
- 66.9 The IEAP may prescribe rules of procedure for the determination of an application including costs.

67. Secrecy

67.1 The following persons:

- (b) the return of the ballot papers,

the returning officer may extend the time between the publication of the notice of the poll and the close of the poll by such period as he or she considers appropriate.

ANNEX 4

REGISTER OF GOVERNORS INTERESTS

Pursuant to Section 20 of Schedule 7 of the National Health Service Act 2006, a register of Governors' interests must be kept by each NHS Foundation Trust.

A. Declaration of Interests

1. All existing governors should declare relevant and material interests. Any governors appointed or elected subsequently should do so on appointment or election.
2. Interests which should be regarded as "relevant and material" and which, for the guidance of doubt, should be included in the register, are:
 - (a) Directorships, including non-executive directorships held in private companies or PLCs (with the exception of those of dormant companies).
 - (b) Ownership, part-ownership or directorship of private companies, business or consultancies likely or possibly seeking to do business with the NHS.
 - (c) Majority or controlling share holdings in organisations likely or possibly seeking to do business with the NHS.
 - (d) A position of Authority in a charity or voluntary organisation in the field of health and social care.
 - (e) Any connection with a voluntary or other organisation contracting for NHS services or commissioning NHS services.
 - (f) Any connection with an organisation, entity or company considering entering into or having entered into a financial arrangement with the NHS Foundation Trust, including but not limited to, lenders or banks.
3. If governors have any doubt about the relevance or materiality of an interest, this should be discussed with the Foundation Secretary.
4. At the time the interests are declared, they should be recorded in the governors meeting minutes. Any changes in interests should be officially declared at the next governors meeting as appropriate following the change occurring. It is the obligation of the Governor to inform the Foundation Secretary in writing within 7 days of becoming aware of the existence of a relevant or material interest. The Foundation Secretary will amend the Register upon receipt within 3 working days.
5. During the course of a governors meeting, if a conflict of interest is established, the governors concerned are not to be counted as participating in that meeting, or part of a meeting, for quorum or voting purposes. For the avoidance of doubt, this includes voting on such an issue where a conflict is established. If the majority of the Governors present at that meeting, for which purpose the Governors concerned are not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes, so resolve, the Governors concerned should withdraw from the meeting and play no part in the relevant discussion or decision. If there is a dispute as to whether a conflict of interest does exist, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.. If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the Chairman, the question is to be decided by a decision of the Governors present at that meeting, for which purpose the Chairman is not to

be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

6. There is no requirement for the interests of governors' spouses or partners to be declared.

B. Register of Interests

1. The details of governors interests recorded in the Register will be kept up to date by means of a quarterly review of the Register by the Foundation Secretary during which any changes of interests declared during the preceding quarter will be incorporated.
2. Subject to contrary regulations being passed, the Register will be available for inspection by the public free of charge. The Chairman will take reasonable steps to bring the existence of the Register to the attention of the local population and to publicise arrangements for viewing it. Copies or extracts of the Register must be provided to members of the NHS Foundation Trust free of charge and within a reasonable time period of the request. A reasonable charge may be imposed on non-members for copies or extracts of the Register.

ANNEX 5

Meaning of Significant Transaction

1. A Significant Transaction is any transaction that meets any one of the following criteria:
 - 1.1 The gross assets that are the subject of the transaction are greater than 25% of the gross assets of the Trust;
 - 1.2 The income attributable to:
 - 1.2.1 the assets; or
 - 1.2.2 the contractassociated with the transaction is greater than 25% of the income of the Trust;
 - 1.3 the gross capital of the company or business being acquired is greater than 25% of the total capital of the Trust following completion; or
 - 1.4 the effect on the total capital of the Trust resulting from the transaction is a reduction or increase of more than 25% of the total capital of the Trust.
2. In this Annex:
 - 2.1 gross assets means the total of fixed assets and current assets;
 - 2.2 gross capital equals the market value of the target's shares and debt securities plus the excess of current liabilities over current assets; and
 - 2.3 total capital of the Trust is equal to taxpayers' equity.
3. For the purposes of paragraph 1 above:
 - 3.1 for acquisitions and divestments of assets or businesses, data from the last year's audited accounts should be used; and
 - 3.2 for capital investments, the investment may be made over a number of years, with revenue attributable to the investment potentially only being achieved in future years. For the asset ratio, estimated capital spend will be compared with the audited asset values, and for income ratio the full year impact of projected revenue from the investment will be compared with projected Trust revenue in that year.
 - 3.3 In addition:
 - 3.3.1 for any other transaction types or where there has been a material or significant transaction since the date of the last audited accounts, the data used will be considered on a case by case basis;
 - 3.3.2 in the case of an acquisition where there has been a material change in the financial position of either the Trust or the business being acquired since the last accounts date, and the ratio at that time is not considered representative of the

contribution of the acquired business to the Trust, the Board of Directors may, following discussions with the Council of Governors, choose to recalculate the ratios on a pro-forma basis using current or future year data; and

- 3.3.3 in all cases the Board of Directors may, following discussions with the Council of Governors, choose to recalculate the ratios using data from future years where they reasonably consider this to be an appropriate measure of the relative size of the transaction.

If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.

2.15 Written resolutions

- 2.15.1 If all Governors entitled to attend and vote at a meeting of the Council of Governors instead of meeting, sign and return a copy of a resolution then that resolution will be deemed to have been passed notwithstanding that the Governors have not gathered in one place.

- 2.15.3 Once the resolution is passed, a copy certified by the Director of Corporate Affairs or a Director must be recorded in the minute book.

3.2 Canvassing of, and Recommendations by, Directors or Governors in Relation to Appointments

3.2.1 Canvassing of governors of the Trust or members of any committee of the Trust directly or indirectly for any appointment under the Trust shall disqualify the candidate for such appointment. The contents of this paragraph of these Council Standing Order shall be included in application forms or otherwise brought to the attention of candidates.

3.2.2 A governor of the Trust shall not solicit for any person any appointment under the Trust or recommend any person for such appointment; but this paragraph of this Council Standing Order shall not preclude a governor from giving written testimonial of a candidate's ability, experience or character for submission to the Trust.

3.2.3 Informal discussions outside appointments panels or committees, whether solicited or unsolicited, should be declared to the panel or committee.

3.3 Relatives of Directors, Governors or Officers

3.3.1 Candidates for any staff appointment shall when making application disclose in writing whether they are related to any director, governor or the holder of any office under the Trust. Failure to disclose such a relationship shall disqualify a candidate and, if appointed, render him/her liable to instant dismissal.

3.3.2 The governors of the Trust shall disclose to the Foundation Secretary any relationship with a candidate of whose candidature that governor is aware. It shall be the duty of the Foundation Secretary to report to the Board of Directors any such disclosure made.

3.3.3 On appointment, governors should disclose to the Trust whether they are related to any other director or governor or holder of any office under the Trust.

3.3.4 Where the relationship of an officer or another director or governor to a governor of the Trust is disclosed, the Council Standing Order headed 'Disability of governors in proceedings on account of pecuniary interest' (CSO 4) shall apply.

4 DISABILITY OF GOVERNORS IN PROCEEDINGS ON ACCOUNT OF PECUNIARY INTEREST

4.1 Subject to the following provisions of this Council Standing Order, if a governor of the Trust has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at the meeting of the Trust at which the contract or other

matter is the subject of consideration, he shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

4.2 The Chairman may exclude a governor from any meeting of the Trust while any contract, proposed contract or other matter in which he/she has a pecuniary interest, is under consideration.

4.3 Any remuneration, compensation or allowances payable to a governor by virtue of paragraph 9 of Schedule 2 to the NHS & Civil Contingency Act 1990 shall not be treated as a pecuniary interest for the purpose of this Council Standing Order.

4.4 For the purpose of this Council Standing Order the Chairman or governor shall be treated, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if:

4.4.1 he, or a nominee of his, is a director of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration; or

4.4.2 he is a partner of, or is in the employment of a person with whom the contract was made or is proposed to be made or who has a direct pecuniary interest in the other matter under consideration;

and in the case of married persons living together, or persons living together as partners, the interest of one partner shall, if known to the other, be deemed for the purposes of this Council Standing Order to be also an interest of the other.

4.5 A governor shall not be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only:

4.5.1 of his membership of a company or other body, if he/she has no beneficial interest in any securities of that company or other body; or

4.5.2 of an interest in any company, body or person with which he is connected as mentioned in CSO 3 above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a governor in the consideration or discussion of or in voting on, any question with respect to that contract or matter.

4.6 Where a governor:

4.6.1 has an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and

4.6.2 the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the less, and

4.6.3 if the share capital is of more than one class, the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class,

this Council Standing Order shall not prohibit him/her from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it without prejudice however to his/her duty to disclose his/her interest.

- 4.7 This Council Standing Order applies to a committee or sub-committee of the Council of Governors as it applies to the Trust and applies to any member of any such committee or sub-committee (whether or not he is also a governor of the Trust) as it applies to a governor of the Trust.

ANNEX 7

PROVISIONS ABOUT THE ANNUAL MEMBERS' MEETING

1 General

- 1.1 The Trust shall hold an annual members' meeting of all members and Governors in each period of 8 months beginning with the day following the end of each Financial Year.
- 1.2 An annual members' meeting shall be called by at least twenty-one clear days' notice. The notice shall specify the time and place of the meeting and shall be given to all members and to the Governors, Directors and Auditors of the Trust.
- 1.3 The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.
- 1.4 Annual members' meetings are to be open to members of the public.

2 Proceedings At Annual Members' Meetings

- 2.1 The Chairman of the Trust shall preside as chairman at every Annual Members' Meeting, but if there be no such Chairman or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding the same, or shall be unwilling to take the chair, the Deputy Chairman, if there is one and he/she is present, shall preside. If the Chairman and Deputy Chairman are absent, a Non-Executive Director nominated by the Chairman, shall preside.
- 2.2 The business to be transacted at each Annual Members' Meeting shall include the presentation, by the Directors to the members, of the annual accounts, any report of the auditor on them, and the annual report.
- 2.3 The quorum for an Annual Members' Meeting shall be 5 members personally present (not by proxy).
- 2.4 No business other than the appointment of the chairman of the meeting is to be transacted at an Annual Members' Meeting unless a quorum as set out in 2.3 above is present when the meeting proceeds to business.
- 2.5 If within half an hour from the time appointed for the holding of a Annual Members' Meeting a quorum is not present, the meeting shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place, or at such other place as the Chairman of the meeting may determine, and if at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting the members present shall be a quorum.
- 2.6 The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time, and from place to place, but no business shall be transacted at any adjourned meeting other than business which might have been transacted at the meeting from which the adjournment took place. Whenever a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given in the same manner as of an original meeting. Save as aforesaid, members shall not be entitled to any notice of an adjournment, or of the business to be transacted at an adjourned meeting.

3 Attendance and Speaking at Annual Members' Meetings

- 3.1 A person is able to exercise the right to speak at an annual members' meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.
- 3.2 A person is able to exercise the right to vote at an annual members' meeting when:
- 3.2.1 that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and
 - 3.2.2 that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.
- 3.3 The Chairman may make whatever arrangements they consider appropriate to enable those attending an annual members' meeting to exercise their rights to speak or vote at it.
- 3.4 In determining attendance at an annual members' meeting, it is immaterial whether any two or more members attending it are in the same place as each other.
- 3.5 Two or more persons who are not in the same place as each other attend an annual members' meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

4 Voting

- 4.1 A resolution put to the vote of an annual members' general meeting shall be decided on a show of hands unless a poll is duly demanded in accordance with paragraph X below.
- 4.2 Proxy votes shall not be permitted.
- 4.3 No objection may be raised to the qualification of any person voting at an annual members' meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.
- 4.4 Any such objection must be referred to the chairman of the meeting, whose decision is final.
- 4.5 A poll on a resolution may be demanded:
- 4.5.1 in advance of the annual members' meeting where it is to be put to the vote, or
 - 4.5.2 at an annual members' meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.
- 4.6 A poll may be demanded by:
- 4.6.1 the chairman of the meeting;
 - 4.6.2 the directors;

- 4.6.3 the governors; or
- 4.6.4 two or more persons having the right to vote on the resolution.

4.7 A demand for a poll may be withdrawn if:

- 4.7.1 the poll has not yet been taken; and
- 4.7.2 the chairman of the meeting consents to the withdrawal.

4.8 Polls must be taken immediately and in such manner as the chairman of the meeting directs.

5 Amendments to resolutions

5.1 A resolution to be proposed at an annual members' meeting may be amended if:

- 5.1.1 the chairman of the meeting proposes the amendment at the annual members' meeting at which the resolution is to be proposed, and
- 5.1.2 the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.

5.2 If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

6 Attendance and speaking by Directors and Governors

6.1 Directors and Governors may attend and speak at an annual members' meeting, whether or not they are members.

6.2 The chairman of the meeting may permit other persons who are not members of the Trust to attend and speak at an annual members' meeting.
